

## NEWS GATHERED FROM SOUTHSIDE

Revivals in Three Churches to Begin Here To-Morrow Night.

DR. PORTER AT BAINBRIDGE

Cast for "Mrs. Wiggs" Includes Many Well-Known Young People.

Manchester Bureau, Times-Dispatch, No. 1121 Hull Street.

Commencing to-morrow night, three churches of the city will have revivals. Rev. J. W. Porter, pastor of the First Baptist Church of Newport News, will open a revival to-morrow night at Bainbridge Street Baptist Church. Services will be held daily at 4 and 8 P. M.

Mr. Porter is a most forceful preacher, and his coming to Manchester promises to be the occasion of a great religious awakening. He has done notable work in Newport News, and his new house of worship there, which is to be dedicated in May, will be one of the finest edifices in the South. His services for revival work are constantly in demand.

A protracted meeting will be opened in Stockton Street Baptist Church by the pastor, Rev. R. W. Criddle, assisted by Rev. Mr. Kitchel, of Crewe, to-night. This meeting will last two weeks, and services will be held every night. Mr. Kitchel will be at one-time pastor of the church.

At Cowardin Avenue Christian Church to-morrow night, Rev. C. E. Elmore, pastor of the Christian Church, of Crewe, will begin a series of revival meetings which will last for two weeks. These meetings will be held every night in the week except Sunday.

Easter Services.

Special music and appropriate sermons will be the order in the churches of the city to-day.

At Cowardin Avenue Christian Church there will be an Easter celebration, given by the choir and orchestra. In the evening the pastor, Rev. C. O. Woodward, will preach on "The Resurrection."

Rev. Father Coleman, pastor of the Sacred Heart Church, will celebrate high-mass at 10:30 o'clock, and at this mass the choir will render special music, assisted by a number of Richmond people.

In Asbury Methodist Church this morning, the pastor, the Rev. J. C. Granberry, Jr., will preach an Easter sermon. The Rev. Dr. R. T. Wilson will preach at night. Members are to be received during the morning service. At 8:15 a sunrise prayer meeting is to be held.

The services in Fifth Street Church this morning will be conducted by the Rev. J. C. Harty, of Elm Aft. At night by the Rev. J. E. McFarlane, of Ashland. In Oak Grove Baptist Church to-day the pastor, the Rev. A. Sullivan, will preach in the morning on "Human Sacrifices." His evening subject will be "Our Hope." There will be an Easter service by the Sunday school at the evening service.

In West End Church to-day the Rev. J. T. Rountree will have double services. Morning subject, "Out of Death into Life." Evening service subject, "A Great Neighborhood Gift." Special Easter music and thanksgiving.

Rev. J. B. Cook, pastor of Weatherford Baptist Church, will commence a series of sermons on "The Characters of the Bible," to-day. This morning his

## ONE MILLION SAMPLES

OF THE GREAT KIDNEY MEDICINE,  
WARNER'S SAFE CURE,  
SENT ABSOLUTELY FREE

Thousands of people have kidney disease and do not know it. Our doctors have met with many cases in their experience where the kidneys had become so impregnated with the disease that they would be called incurable by most doctors, yet the patient was not aware that his kidneys were diseased. Warner's Safe Cure has been tested for many years and found to be an absolute cure for all forms of kidney and bladder disease.

Warner's Safe Cure, to begin with, is purely vegetable, and contains no harmful drugs; it is a most valuable and effective tonic; it is a stimulant to digestion, and awakens the torpid liver, and restores the patient into the very best receptive state for the work of the restorer of the kidneys. It goes right at its work, and does it with absolute method, preparing the tissues, soothing where soothing is needed, stimulating the enfeebled organs and healing at the same time. It gives the body a new vigor, and restores the energy that is or has been wasting under the baneful suffering of kidney disease.

The one great fact stands out is that Warner's Safe Cure cures.

Bright's disease, gravel, liver complaint, pains in the back, rheumatism, rheumatic gout, bladder trouble, dropsy, eczema, blood diseases, too frequent desire to urinate and painful passing of urine, are all caused by diseased kidneys, and can be speedily cured by Warner's Safe Cure, which has been prescribed by leading doctors for 25 years.

### FREE SAMPLE BOTTLE.

To convince every sufferer from diseases of the kidneys, liver, bladder and blood that Warner's Safe Cure will cure them, a sample bottle will be sent, absolutely free, to any one who will write Warner's Safe Cure Co., Richmond, N. Y., and mention having seen this liberal offer in The Times-Dispatch. The genuineness and mention having seen this liberal offer in The Times-Dispatch. The genuineness and mention having seen this liberal offer in The Times-Dispatch. The genuineness and mention having seen this liberal offer in The Times-Dispatch.

Are you languid, low spirited, weak and flabby? Have you chills, scalding and pains when urinating and a frequent desire to urinate? If so your kidneys are diseased. This is the supreme moment when you should begin to do something to arrest these unnatural feelings and conditions, for they are the unmistakable symptoms of kidney disease. And they tell you that your kidneys have been diseased for a long time, for kidney troubles seldom put out such symptoms as the victim recognizes until they have been working several months. You have every reason to be alarmed, and you should take Warner's Safe Cure at once.

Take it at this stage, your kidneys will get relief from the free trial bottle almost from the first dose.

## WARNER'S SAFE CURE

is put up in two regular sizes and sold by all druggists at 50c and \$1.00 a bottle. It has no deleterious effects. There is no "just as good as" Warner's Safe Cure. ### HORSE RAN AWAY.

Dr. White, Daughter and Grandchild Thrown Out.

Becoming frightened at a passing automobile containing Mrs. E. C. Laird and an auto party, a horse belonging to Dr. J. A. White, attached to a runabout containing himself and his daughter, Mrs. Stuart Towse, and her little child, ran away, and after a high gallop, overturned the buggy on top of its occupants. Fortunately, none of the party was seriously hurt, though they appeared to be in imminent danger.

The accident happened on the Hermitage road Friday afternoon. The strange thing about the runaway was that the horse dashed after the automobile. It was prevented from passing by the skillful steering of Mr. E. A. Blenner, who was driving the machine. As a result, however, the horse turned into a field, where the vehicle was overturned, and the occupants were thrown out.

Dr. White, Mrs. Towse and the child were picked up, and the latter two were taken home in the automobile. Dr. White followed in the buggy of a friend.

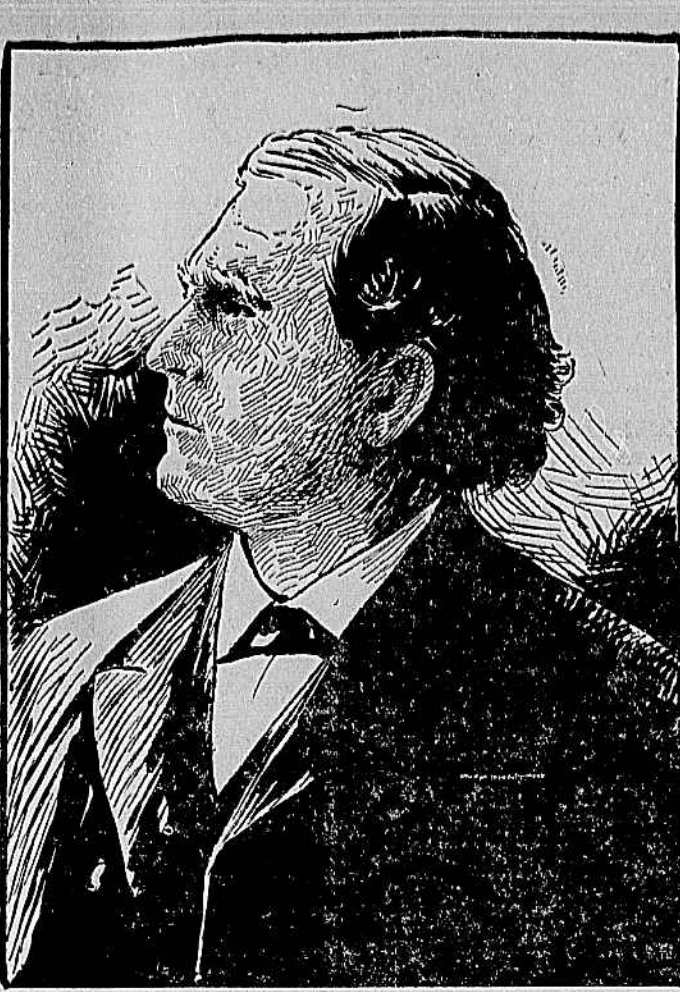

WROTE 3,375 WORDS IN FIFTEEN MINUTES

BOSTON, MASS., March 29.—What was claimed to be a world's championship contest in stenography and typewriting, was the closing feature of the Eastern Commercial Teachers' Association Convention here today. Miss Nellie M. Wood, of Boston, won first place in stenography, and Miss Rose L. Fritz, of New York, successfully defended her title in the typewriting.

Miss Wood attained a speed of 225 words a minute for fifteen minutes with twenty-two errors. P. G. Gorman, of Denver, Col., took second place, and Fred Ireland, of Washington, one of the stenographers in the typewriting contest, was third. Gorman and Ireland wrote 225 words a minute. The former made twenty-eight errors, and the latter thirty errors.

BURNED TO DEATH IN MOVING-PICTURE MACHINE

LOCKPORT, N. Y., March 29.—Albert Phillips, twenty-one years old, operator of a moving picture machine in the Arcadia theatre, was burned to death today when the machine burst into flames. The fire was caused by a short circuit in the wiring. Phillips was forgotten. His body, burned to a crisp, was found in the box when the fire was put out, and one in the crowd was injured.

## NAVAL CADETS WIN TOURNAMENT

West Point Was Second and Cornell in Third Place.

NEW YORK, March 30.—The naval cadets from Annapolis won the honors in the annual intercollegiate fencing championship tournament, which was begun last night, and was finished shortly before midnight to-night, in the gymnasium of the New York Athletic Club here.

At the conclusion of last night's bout it was seen that only three teams out of the original eight entries of three men each had any chance for the championship, and these three finished as follows: Annapolis won fourteen and lost four; West Point won ten and lost eight; Cornell won three and lost fifteen.

Yale was fourth, just a point ahead of Columbia, with Harvard, Pennsylvania and Princeton marked in the order named. Last year West Point took first honors.

O. H. Dickinson, of West Point, captured the individual honor, with twelve straight wins, both J. C. Dickinson, of Annapolis, being his closest rival, with eleven straight wins, his only defeat being at the hands of Dickinson, who only won after an extra period had been ordered by the judges.

Prominent Visitors.

Senator Ben T. Gunter, of Accomac, was here yesterday, and declared that he had decided to stand for re-election.

Mr. Joseph J. Slinnot, who is officially connected with the House of Representatives in Washington, is in the city. He says he is for former Congressman H. St. George Tucker for Governor in 1909.

## Spring News from The Boys' Shop

No department of this clothing store shows the influence of Spring quicker than the Boys' Shop, and the reason is obvious. The little fellows, with their rich, new blood are impervious to the lingering blasts of winter, and often they have worn their new clothes for many days before the blood of their daddies warms up.

The Boys' Shop is now resplendent with Spring, and even Summer freshness. This collection for youths, boys and children is the result of many weeks of painstaking thought, and many days spent in Eastern cities, where style for the younger generations are created.

We are able to say in all sincerity that there is not a suit, or pattern or style of any consequence, that is not fully represented in our exhibit, and it includes the choicest American, French, English and German conceits—all of a quality unquestioned. The display is so full and overflowing with beauty that we will merely generalize in this first announcement. Suffice it to say that you can spend several hours here and then not see it all.

## PRESIDENT IS TO SPEAK ON RAILWAYS

of view on the railroad situation with a view to a definite conclusion on this important matter before outlining it in a public speech.

Holding Daily Conferences.

Conferences of almost daily occurrence are being held by the President with members of his Cabinet, of the Interstate Commerce Commission, and with railroad men and financiers primarily with regard to railroad matters and incidentally bearing on the financial situation. To-day he talked with August Belmont and J. M. Levy, of New York, and with Frank B. Kellogg, special counsel of the Interstate Commerce Commission, at which the railroad question was gone over.

The question of State rights also is thought to be an important feature of the discussions which have been held by the President and his advisers in the treatment of the railroad subject. It involves many perplexing problems, to which careful consideration, the President feels, must be given before a decision is arrived at.

BITTEN BY DOG.

Pastor and Children Are Being Treated at Pasture Institute.

Rev. Dr. George W. McDaniel and two of his children were bitten last Tuesday by a pet terrier, which afterward developed a case of rabies. Immediately after they were bitten Dr. McDaniel went with his children to the Pasture Institute, where they are now being treated by Dr. Hoover. It is not thought that there will be any serious after-consequences.

The accident occurred while the family were breakfasting. The dog was being petted by the children, when it turned on them both. Dr. McDaniel went to their rescue, and was himself bitten.

The dog was shot by Richard Lewis, who lives in the neighborhood.

## Neurology.

The Evils of Eye Strain Conquered.

By DRS. RUDD & BUCHANAN, Neurologists.

Nervous energy or vitality operates the human machine, just as steam or electricity operates the mechanical machine. Any excessive demand upon this vital energy, or disturbance of its regular flow, is certain to show as a functional derangement of some of the organs. We point to the fact that the human eye consumes ten per cent. of all the power generated in the brain—that is, the eyes are entitled to that much by Nature's assignment; but when they are defective they will involuntarily get the upperhand of the rest of the nervous system, and use up more nerve energy than they are entitled to, sometimes as much as seventy-five per cent. of all that is generated, in their effort to overcome their defects and maintain vision. This constitutes eye-strain. With these facts in view, it is easy to see that if the eyes consume an amount of the body's supply of nerve force in excess of their natural share, some other organ must suffer, because the eyes have thus become a leak on the system, and have so exhausted the supply of vitality that no organ can perform its function perfectly, purely from lack of the necessary power to operate it. Then medical doctors will find symptoms of deranged functions and treat the symptoms. We proceed to find the cause and remove it, and the symptoms will disappear of themselves. There is nothing mysterious about this. No theory is worthy of confidence until it has been practically demonstrated. More than ten thousand successful cases, hundreds of which had tried other methods as practiced by the most eminent old-school specialists, is about the best demonstration of the superior merits of Neurology that could be given.
